

Enroll in your benefits with confidence

Health Advocate and Picwell have teamed up to offer you a personalized easy-to-use benefits decision support tool combined with guidance from Health Advocate experts to take the guesswork out of choosing the health plan that's right for you — and your health, personal situation and wallet, too!

Get started with the Picwell tool

1. Go to **HealthAdvocate.com/members**
2. From the **I would like to...** menu, click on **Benefits Selection Tool**
3. Input your personal information into the decision tool
4. **Picwell will generate results just for you** including personalized cost predictions, ranking for each health plan, and a breakdown of your out-of-pocket costs and premiums
5. Use the results to **select the best option for you** based on your unique health risks and preferences

Next, call Health Advocate!

Our experts can:

- **Answer any questions you may have** about your results and recommended plans
- Check to see if your **doctors and other providers are in-network**
- Help you understand your **prescription coverage and medication costs**
- **Clarify coverage for specific services** you anticipate needing during the plan year
- We can also help you resolve a wide range of healthcare and insurance issues **at no cost to you!**
