NOW, THEREFORE, BE IT RESOLVED BY THE CENTRAL MICHIGAN UNIVERSITY BOARD OF TRUSTEES, AS FOLLOWS:

1. The Board hereby approves the definition of the term “Projects” as set forth in Exhibit A attached hereto, and authorizes the Authorized Officers, or either of them individually, to select the portion of the Projects to be financed, in whole or in part, from the proceeds of the Bonds, and to fund, as appropriate, the remaining portion of the costs of the Projects from available funds of the University or other available funds. Subject to the Board’s policies regarding approval of capital projects, either Authorized Officer may subsequently approve additional components of the Projects and specify that such additional components shall be financed in whole or in part from the proceeds of the Bonds, upon which occurrence such components shall thereupon become components of the Projects hereunder. The Board further approves the refunding of all or any portion of the Prior Bonds, and authorizes the Authorized Officers, or either of them individually, to select the portion, if any, of the Prior Bonds to constitute the Bonds to be Refunded, in order to produce interest or other cost savings or a more favorable debt service structure, to reduce or eliminate tender or liquidity or other risks associated with variable rate bonds, or to provide more favorable terms or covenants, and to fund, if deemed appropriate, a portion of the costs of the refunding from available funds of the University and the balance of such costs from the proceeds of the Bonds, and to proceed with the refunding.

In connection with the refunding of all or any portion of the Prior Bonds, either Authorized Officer may, in the name and on behalf of the Board, and as its corporate act and deed, modify any of the Prior Swap Agreements, in whole or in part, and relate any of such Prior Swap Agreements to any portion of the debt service on the Bonds or any outstanding Prior Bonds, or terminate any of the Prior Swap Agreements, in whole or in part, and any fees or termination payments required in connection with any such

modifications or terminations may be paid from the proceeds of the Bonds, or from available funds of the University, as determined by an Authorized Officer.

2. The Board hereby authorizes the issuance, execution and delivery of the Bonds of the Board, in one or more series, to be designated GENERAL REVENUE BONDS, with appropriate series designations, in the aggregate original principal amount to be established by an Authorized Officer, but not to exceed the aggregate principal amount necessary to produce proceeds of FIFTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS (\$15,500,000) for the payment of the costs of the Projects and the costs of issuance of the Bonds, plus the amount, if any, necessary to accomplish the refunding of the Bonds to be Refunded and to pay costs related thereto. The Bonds shall be dated as of the date or dates established by an Authorized Officer, and shall be issued for the purpose of providing funds which, together with other available funds, will be used to pay all or a portion of the costs of the Projects, including, if determined to be appropriate by an Authorized Officer, capitalized interest related to all or a portion of the Projects for a period specified by an Authorized Officer, to pay all or a portion of the costs of refunding the Bonds to be Refunded, if any, and to pay costs related to the issuance of the Bonds and the refunding, including the costs of bond insurance premiums, if an Authorized Officer determines such insurance to be appropriate. The Bonds shall be serial bonds or term bonds, which may be subject to redemption requirements, or both, as shall be established by an Authorized Officer, but the first maturity or mandatory redemption date shall be no earlier than October 1, 2019 and the last maturity shall be no later than December 31, 2050. The Bonds may bear interest at stated fixed rates for the respective maturities thereof as shall be established by an Authorized Officer, but the weighted average yield of the Bonds (computed using the stated coupon and the stated original offering price) shall not exceed 6.0% per annum for tax-exempt bonds and 8.0% per annum for taxable bonds, subject, in the case of Bonds sold to a Purchaser pursuant to a direct purchase arrangement, to adjustments for increased costs of the Purchaser, rating changes and defaults and other specified factors, but in no event in excess of the lesser of 25% per annum, the maximum rate permitted by law or the maximum rate, if any, specified in the Trust Indenture or Loan Agreement. Alternatively, all or part of the Bonds may bear interest at a variable rate of interest for all or part of their term, determined on the basis of an index or a spread to an index or through market procedures, or both, and the variable rate of interest shall not exceed the lesser of 25% per annum, the maximum rate permitted by law or the maximum rate, if any, specified in the Trust Indenture or Loan Agreement. The Bonds may be subject to redemption or call for purchase prior to maturity at the times and prices and in the manner as shall be established by an Authorized Officer, but no redemption premium shall exceed 3% of the principal amount being redeemed, unless the redemption price is based on a “make whole” formula, in which case the redemption premium shall not exceed 25% of the principal amount being redeemed. Interest on the Bonds shall be payable at such times as shall be specified by an Authorized Officer. The Bonds shall be issued in fully registered form in denominations, shall be payable as to principal and interest in the manner, shall be subject to transfer and exchange, and shall be executed and authenticated, and may be issued in book-entry-only form, all as shall be provided in the Trust Indenture or Loan Agreement. The Bonds shall be sold to the Underwriter or Purchaser for a price to be established by an Authorized Officer (but the Underwriter’s or Purchaser’s discount, exclusive of original issue discount, shall not exceed 2.00% of the principal amount thereof) plus accrued interest, if any, from the dated date of the Bonds to the date of delivery thereof.

Any or all of the Bonds may be made subject to tender for purchase at the option of the holder thereof or to mandatory tender for purchase. The obligation of the Board to purchase any Bonds subject to tender for purchase may be limited to the remarketing proceeds of such Bonds, or may be made payable from General Revenues, from available cash reserves of the University, subject to such limitations as may be specified in the Trust Indenture or Loan Agreement, or from a letter of credit, line of credit, standby bond purchase agreement or other credit or liquidity device (collectively, the “Liquidity Device”), or any combination thereof, all as shall be determined by an Authorized Officer and provided for in the Trust Indenture or Loan Agreement. Any reimbursement obligation for draws under the Liquidity Device shall be a limited and not a general obligation of the Board, payable from, and may be secured by a pledge of,

General Revenues. Either Authorized Officer is individually authorized to execute and deliver at any time, for and on behalf of the Board, any amendments to the Trust Indenture or Loan Agreement and any agreements or instruments with a party or parties selected by an Authorized Officer necessary to obtain, maintain, renew or replace, and provide for repayments under, any Liquidity Device deemed by such officer to be required for the purposes of this Resolution.

In relation to the debt service on all or any portion of the Bonds, either of the Authorized Officers may, at any time, on behalf of and as the act of the Board, enter into or modify an interest rate swap, cap, forward starting swap, option, swaption, rate lock or similar agreement or agreements (collectively, the "Swap Agreement") with a counterparty or counterparties selected by the Authorized Officer. Such Swap Agreement shall provide for payments between the Board and the counterparty related to interest on all or a portion of the Bonds, at indexed or market established rates. If the Swap Agreement is entered into at approximately the same time as the issuance of the Bonds and is related to the Bonds, the expected effective interest rates on the Bonds to which the Swap Agreement relates, taking into account the effect of the Swap Agreement, shall be within the limitations set forth herein. Any Swap Agreement may, if determined necessary or appropriate by an Authorized Officer, be subsequently terminated, in whole or in part, which may result in termination payments due by the Board. Any such required termination payments and other costs of termination may be funded from available funds of the University or the proceeds of the Bonds or other indebtedness of the Board.

3. The Bonds, and the obligations of the Board under the Liquidity Device and the Swap Agreement, if any, shall be limited and not general obligations of the Board, payable from and, except as provided below in this Section 3, secured by a lien on, the General Revenues of the Board (as shall be defined in the Trust Indenture or Loan Agreement in a manner generally consistent with the definition of General Revenues contained in the trust indentures pursuant to which the Prior Bonds were issued). Except as otherwise determined by an Authorized Officer, as provided below in this Section 3, the lien on General Revenues securing the Bonds, the Liquidity Device and the Swap Agreement, if any, shall be on a parity basis with the liens on General Revenues securing the Prior Bonds and other previously issued obligations of the Board secured by a first lien on General Revenues. The Bonds, and the obligations of the Board under the Liquidity Device and the Swap Agreement, if any, may also be payable from and secured by a lien on moneys, securities or other investments from time to time on deposit in certain funds created pursuant to the Trust Indenture or Loan Agreement or agreements entered into in connection with the Liquidity Device or Swap Agreement.

No recourse shall be had for the payment of the principal amount of or interest or premium on the Bonds, or for the payment of any amounts owing under the Liquidity Device or Swap Agreement, if any, or any claim based thereon, against the State of Michigan, or any member or agent of the Board (including, without limitation, any officer or employee of the University), as individuals, either directly or indirectly, nor, except as specifically provided in the Trust Indenture or Loan Agreement or the instruments entered into in connection with the Swap Agreement or the Liquidity Device, if any, against the Board, nor shall the Bonds and interest or premium with respect thereto, or any obligations of the Board in connection with the Swap Agreement or Liquidity Device, if any, become a lien on or be secured by any property, real, personal or mixed, of the State of Michigan or the Board, other than General Revenues and the moneys, securities or other investments from time to time on deposit in certain funds established as pledged pursuant to the Trust Indenture or Loan Agreement or pursuant to agreements entered into in connection with the Liquidity Device or Swap Agreement, if any.

Any pledge of General Revenues, and funds specified in the Trust Indenture or Loan Agreement or in any agreements entered into in connection with the Liquidity Device or Swap Agreement, if any, shall be valid and binding from the date of the issuance and delivery of the Bonds or such agreements, and all moneys or properties subject thereto that are thereafter received shall immediately be subject to the lien of

the pledge without physical delivery or further act. The lien of said pledge shall be valid and binding against all parties (other than the holders of any other bonds, notes or other obligations secured by a parity first lien on General Revenues) having a claim in tort, contract or otherwise against the Board, irrespective of whether such parties have notice of the lien.

Notwithstanding anything herein to the contrary, any obligations of the Board under the Swap Agreement or any agreement with respect to the Liquidity Device may, if determined appropriate by an Authorized Officer, be payable and secured on a subordinated basis to the Bonds and other General Revenue obligations of the Board, or may be payable from General Revenues but be unsecured.

4. The right is reserved to issue additional bonds, notes or other obligations payable from General Revenues and secured on a parity or subordinated basis with the Bonds, the Prior Bonds and other obligations of the Board so secured by a lien on General Revenues, upon compliance with the terms and conditions therefor as shall be set forth in the Trust Indenture or Loan Agreement.

5. Each Authorized Officer is hereby individually authorized and directed, in the name and on behalf of the Board, and as its corporate act and deed, to select the Trustee, if any, and to negotiate the terms of and execute and deliver the Trust Indenture or Loan Agreement. The Trust Indenture or Loan Agreement may contain such covenants on behalf of the Board and terms as such Authorized Officer deems appropriate, including, but not limited to, covenants with respect to the establishment of General Revenues at levels expressed as a percentage of debt service on the Bonds or all General Revenue obligations of the Board, and with respect to the issuance of additional bonds, notes or other obligations payable from and secured by General Revenues. In addition, each Authorized Officer is hereby individually authorized, empowered and directed to negotiate, if deemed appropriate by an Authorized Officer in connection with the issuance of the Bonds, for the acquisition of bond insurance and to execute and deliver an insurance commitment or other documents or instruments required in connection with such insurance.

6. Each Authorized Officer is hereby individually authorized and directed, in the name and on behalf of the Board and as its corporate act and deed, to select the Underwriter or Purchaser and to negotiate, execute and deliver the Bond Purchase Agreement with the Underwriter or Purchaser setting forth the terms of the Bonds and the sale thereof, and containing such other covenants and agreements of the Board as may be required by the Underwriter or the Purchaser in connection therewith, in the forms as an Authorized Officer may approve, all within the limitations set forth herein. In the alternative, if determined appropriate by an Authorized Officer, selection of the Underwriter and setting of the terms for all or any portion of any series of the Bonds may be made through a competitive sale or bidding process, and either of the Authorized Officers is authorized to accept the winning bid or offer of the Underwriter for the purchase of the Bonds. In addition, each Authorized Officer is hereby individually authorized and directed, in the name and on behalf of the Board and as its corporate act and deed, to negotiate, execute and deliver the Remarketing Agreement, if any, with the Underwriter or other remarketing agent selected by the Authorized Officer.

7. Each Authorized Officer is hereby individually authorized, empowered and directed, in the name and on behalf of the Board, and as its corporate act and deed, to execute the Bonds by manual or facsimile signature, and to deliver the Bonds to the Underwriter or Purchaser in exchange for the purchase price therefor.

8. Each Authorized Officer is hereby individually authorized to solicit ratings on the Bonds from any national rating services that the Authorized Officer deems appropriate and, if necessary, to cause the preparation of a Preliminary Official Statement and an Official Statement with respect to each series of the Bonds, to deem such official statements "final" in accordance with applicable law, and to execute and deliver the Official Statements. In the event that all or a portion of any series of the Bonds is to be sold by

means of a competitive sale or bidding process, as provided in this Resolution, each Authorized Officer is individually authorized to prepare and publish or cause to be published, or otherwise distribute, in such manner as an Authorized Officer shall determine, a Notice of Sale for such Bonds. Each Authorized Officer, or the Underwriter or the University's financial advisor, as appropriate, is authorized to circulate and use, in accordance with applicable law, the Notice of Sale, the Preliminary Official Statements and the Official Statements in connection with the offering, marketing and sale of the Bonds.

9. The President, the Vice President for Finance and Administrative Services, the Secretary, the Vice President and General Counsel and any other appropriate officer or representative of the Board or the University are each hereby authorized to perform all acts and deeds and to execute and deliver for and on behalf of the Board all instruments and documents required by this Resolution, the Trust Indenture or Loan Agreement, the Remarketing Agreement, the Liquidity Device, the Swap Agreement, the Bond Purchase Agreement and the Notice of Sale, or necessary, expedient and proper in connection with the issuance, sale and delivery of the Bonds, as contemplated hereby, including, if deemed appropriate, one or more escrow deposit agreements with an escrow agent to be selected by an Authorized Officer as may be necessary to accomplish the refunding of the Bonds to be Refunded. Each Authorized Officer is individually authorized to designate and empower the escrow agent to subscribe for United States Treasury Obligations, State and Local Government Series, on behalf of the Board, as may be necessary in connection with any refunding authorized hereby. Each Authorized Officer is further authorized to execute and deliver all instruments and documents for and on behalf of the Board or the University required, necessary or appropriate for the ongoing administration or operation of the financing program represented by the Bonds, the Trust Indenture or Loan Agreement, the Remarketing Agreement, the Liquidity Device, the Swap Agreement and the Bond Purchase Agreement. Any action required under the Trust Indenture or Loan Agreement, the Remarketing Agreement, the Liquidity Device, the Swap Agreement, the Bond Purchase Agreement, the Notice of Sale or any other instrument related to the Bonds, may be taken by and on behalf of the Board by an Authorized Officer. Any reference to an officer of the Board or the University herein shall include any interim or acting officer appointed by the Board.

10. In accordance with the requirements of Rule 15c2-12 of the United States Securities and Exchange Commission, the Board may be required in connection with the issuance of the Bonds to enter into one or more continuing disclosure undertakings for the benefit of the holders and beneficial owners of the Bonds. Each Authorized Officer is individually authorized to cause to be prepared and to execute and deliver, on behalf of the Board, the continuing disclosure undertakings.

11. Each Authorized Officer is hereby authorized and delegated the authority to execute, on behalf of the Board, a declaration of intent to reimburse University funds expended on the Projects, and on future projects, from the proceeds of the Bonds or other bonds to be issued in the future, all in accordance with Treasury Regulation § 1.150-2. Any and all actions of either of the Authorized Officers previously taken in connection with the execution of such a declaration are hereby ratified and confirmed.

12. If deemed necessary by the University's bond counsel, each Authorized Officer is individually authorized to arrange for the publication of a notice of and to conduct a public hearing with respect to the issuance of the Bonds, all in accordance with the requirements of Section 147(f) of the Internal Revenue Code of 1986, as amended.

13. Any resolutions or parts of resolutions or other proceedings of the Board in conflict herewith are hereby repealed insofar as such conflict exists.
