POLICY STATEMENT REGARDING MICHIGAN ASSOCIATION OF STATE UNIVERSITIES (MASU)

It was moved by Trustee Oliver, seconded by Trustee Heath and carried that the following resolution be adopted as submitted.

BE IT RESOLVED, That the Board of Trustees approves the following Policy Statement concerning the Michigan Association of State Universities (MASU) and its legislative efforts.

CMU has a long-standing commitment to work in cooperation with other state universities on issues of mutual interest and concern. At the same time, CMU as measured on a per Michigan resident student basis, is significantly underfunded as compared to the other state universities. This is exacerbated by the fact that when any increase in funded is provided, it has always been through an “across the board” approach which widens this gap. Furthermore, MASU’s own documents demonstrate that past increases in state appropriations have been woefully inadequate.

In these fiscally stressed times, the Board of Trustees and President Davies must prioritize spending. As part of this, the Board of Trustees continues to be very supportive of CMU’s lobbying effort, which includes President Davies and the Government Relations team; however, MASU has fallen far short of being a strong and effective advocate for higher education, especially in terms of more equitable state funding for CMU and other regional universities. Furthermore, MASU has not prioritized the needs of the regional universities in its legislative and communication agenda.

Therefore, CMU compels MASU to develop a robust agenda to address the needs of the regional universities. To emphasize this point, CMU will pay half of the annual dues on July 1, 2022, in hopes MASU will take meaningful steps to address the needs of CMU and the other regional universities by December 31, 2022. Should it achieve this support, CMU will pay its dues in full. However, should it fail to do so, CMU will maintain its commitment to cooperate and engage with the other universities but will have to reevaluate its ongoing membership in MASU.
