BE IT RESOLVED, That the following new endowments/scholarships and endowment name or criteria changes are approved. Statements are approved for publication as applicable.

New Endowments

James C. Chapin Memorial Scholarship

This scholarship, established in 2025 by Noreen Chapin '71, honors the life and legacy of James Chapin, a proud Central Michigan University alumnus ('71) and lifelong Michigan resident. Raised in Bay City, MI, Jim had an enduring passion for CMU, where he forged lifelong friendships through his fraternity, Theta Chi, and immersed himself in campus life. He was a devoted fan of football, a lover of music, and an enthusiastic traveler who embraced every opportunity to explore and connect with others. After graduation, he and his wife Noreen built a life in Metro Detroit where Jim began a lengthy career at Ford Motor Company. Supporting CMU football players from the State of Michigan, this fund reflects Jim's deep love for the game and his belief in the importance of teamwork and perseverance. This scholarship will support Undergraduate recipients who are CMU football student-athletes eligible for competition per NCAA requirements. Recipients must be a resident of the State of Michigan at the time of recruitment. Preference will be given to recipients pursuing a major in the College of Business Administration and special consideration may be given to recipients who demonstrate financial need.

Bonnie Jean Varker Schultz Endowed Scholarship

This scholarship honors the memory of Bonnie Jean Varker Schultz '79, who passed away from pancreatic cancer in February 2022. This was established in 2025 by Bonnie's siblings. After graduating from East Lansing High School, she continued her studies at CMU where she graduated with a degree in Business/Marketing. While at CMU, she joined Zeta Tau Alpha sorority, embracing Greek life and making many life-long friends. Life and her love of learning led Bonnie to southern California and a career in textbook publishing and sales, during which she enjoyed her time back on college campuses and establishing relationships with professors. She continued her education by earning an MBA at Claremont College in 1990. Bonnie's siblings are pleased to further her generosity and honor her love of animals by establishing this scholarship to assist CMU students in achieving their educational goals. This scholarship will support Junior and Senior students pursuing the Pre-Veterinary Medicine Pathway who have a cumulative minimum GPA of 3.0 and demonstrate financial need.
