DESCRIPTIONS

Grief & Loss Support Group

You do not have to grieve alone. Meet with others to face the challenges of grieving and create a community of connection and support. Each person's grief journey is unique and respected. Group is primarily discussion based with some activities such as developing one's own healing rituals, letter writing and art making.

Leader: Michelle Bigard (bigar1mf@cmich.edu)

Survivor Support

This support group is open to anyone who has been impacted by sexual assault, domestic violence, intimate partner violence, and/or stalking. The content of the group varies from week to week, but there is no obligation or pressure to share your story to attend.

Leader: Aileen Guerra-Morales (guerr1a@cmich.edu)

Executive Function Strategies

Do you struggle to manage your time/tasks, have a hard time asking for help, saying "no" to things you want to do, but don't have time to do? Learn strategies to help with prioritizing, organizing/shifting between tasks, and staying focused/regulating attention. Build or improve your skills and improve your classroom performance.

Leader: Anna Grajek (graje1am@cmich.edu)

The Art of Managing Anxiety

Combine calming and expressive art activities while getting and providing support along with others who can relate. Learn new anxiety management strategies as well as tangible skills and tools you can use to address anxiety while sharing what has worked for you with each other.

Leader: Atefeh Jenrow (jenro1ae@cmich.edu)

The Relaxation Hour

End your week with relaxation and self-care. Each class will begin with a grounding exercise, following by some gentle stretching, and end with a guided meditation and time for total relaxation. Over the course of the semester, we will practice several types of relaxation exercises to help calm your nervous system and reduce stress.

Leader: Julie Fortino Shurtliff (fort1ja@cmich.edu)
