

Peer Community Network

COMPASS is hosting meetings for CMU students to come together to share ideas, strategies, resources, and their own experiences of finding their place at CMU.

Feeling like you belong, knowing where you feel most supported, and knowing how to achieve your goals can feel hard and overwhelming. Hearing stories from others and sharing your own story can help everyone develop a path that works for them.

Meeting Dates

- January 22
- February 5
- February 19
- March 5
- March 26
- April 9
- April 23

EHS 413
