- Visual Merchandising Minor ●◆◆
- Women & Gender Studies Minor ●◆
- Youth Studies Minor ●◆

### STILL DECIDING?

That's OK. While it's important to stay on track to graduate, you don't have to choose a major until you've completed 56 credits.

Your academic advisor can help you choose courses that let you explore a career path while still counting toward your general education requirements and electives. Career coaches in our Career Development Center have a variety of tools to help you identify your interests, strengths, abilities and preferred work style.

\*In partnership with Mid Michigan College.
