

Professional Dress

Business Professional

Suit and tie (matching top and bottom)

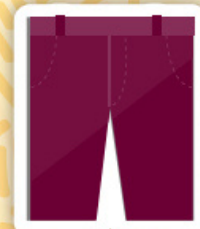

Blouse or dress shirt

VS.

Business Casual

Blouse or dress shirt

Skirt or pants (can add a blazer for more formal work environments)

Tips

- › Find a comfortable pair of dress shoes
- › When it comes to jewelry, stick with quality over quantity
- › Avoid bright colors and busy prints
- › Keep makeup natural and hair groomed
- › Avoid heavy cologne and perfume
- › No jeans, yoga pants or leggings
- › Align tattoos and piercings to company standards
- › Make sure clothing fits (if not, visit a tailor)
- › When in doubt, stick with dark, neutral colors
- › Bring a padfolio to write down questions and notes
