

McNair Scholars Program

Central Michigan University •
Park Library 339 • 774-1364
www.mcnair.cmich.edu •

Discover Your Interests

Explore your interests, values and abilities through various assessments •

www.careers.cmich.edu/assessments_new.htm

Focus on Your Grades

A strong academic record will take you far – especially getting into a graduate program and getting funded •

Network – Talk to People!

Talk to as many people as possible about your academic and career interests – go to your professors' office hours and find out more about your particular field •

Explore Graduate Programs

Get started with the following websites •

www.gradschooltips.com

www.petersons.com

www.gradschools.com

Pursue Research Opportunities

Many faculty are engaged in research – ask your professors about their work and if you can get involved •

Consider the McNair Program

McNair helps low income and first generation college students and underrepresented students achieve Ph.D.'s •

New scholars are recruited every fall •
