

GRADUATING SCHOLAR CHECKLIST

PLEASE BE SURE TO COMPLETE THE FOLLOWING:

- Final Program Reflection** - reflect on the overall program...what you found valuable, how you feel you grew as a scholar and person, etc. Whatever you want us to share about the program. We truly treasure the information you share with us and use the feedback to help grow the program and ourselves. (email to Kim)

- [Graduate Profile Form](#)** - which grad schools you applied to, status of application, and all acceptance letters (if you already sent them, you don't have to upload them again unless you'd like to)

- [Scholar Exit Survey](#)** - opinion-based survey to help us better serve future scholars

- [Receipt of Materials](#)** - for audit purposes

- [Email and Address Update](#)** - fill this out so we have a valid email address on file that you will be using and checking

**Be on the lookout for an email each fall in preparation for our Annual Performance Report. It's imperative to fill out the survey each year to update the Department of Education on our program's progress.
