Did you or your spouse (if married) receive combat pay in 2019?	<input type="checkbox"/> Yes <input type="checkbox"/> No
If you or your spouse (if married) received combat pay in 2019:	Total Dollar Amount
Indicate the dollar amount of combat pay received in 2019 that was included in your adjusted gross income (AGI). Enter ONLY the portion that was included in your adjusted gross income. This should be zero for enlisted persons and warrant officers (including commissioned warrant officers) because their combat pay is entirely non-taxable. For commissioned officers generally, combat pay in excess of the highest enlisted person's pay (plus imminent danger/hostile fire pay) is taxable.
