Transfer Credit Guide

This guide is subject to change and should be used in consultation with an academic advisor.

Please see your community college advisor to earn an Associated Degree (an Associated Degree is not a requirement for CMU).

Important Note: The Michigan Department of Education has written new standards for all Elementary Education Programs in the state of Michigan. Teacher prep institutions in Michigan are in the process of transitioning to a new Elementary Education Program that will officially begin in Fall 2021. While CMU is transitioning, students should follow the list of courses on this Transfer Guide to align with the new elementary program, Teaching Grades PK-3& PK-6. Students will work closely with a CMU academic advisor that will assist them with the transition and the list of courses that will be offered through Central Michigan University. Students will work with a CMU academic advisor to go over the new elementary program and to determine when they should be admitted to CMU and the Teacher Education program.
