Mathematics MTA requires 1 course Select from the following: MTH 104, MTH 113, 114, 120, 210, 215, 216, 217 Notes: (1) Students who take MTH 104 to satisfy MTA will be required to take MTH 105 or higher at CMU. (2) MTH 120 will transfer to CMU as a quantitative reasoning (QR) course. Students may not use the same course to meet math competency and QR competency at CMU. Students should plan to take an additional math or QR course at CMU	3 – 5	Various Mathematics Course Credit
Major or Degree Related Transferable Courses: EDU 107 or one of its approved equivalencies requires a grade of “B” or higher		
ED 101 Introduction to a Career in Teaching PSY 220 Life-Span Developmental Psychology	3 4	EDU 107 Introduction to Teaching Subs for HDF 100 Lifespan Development

General Notes

- **It is strongly recommended that transfer students contact CMU early in their college career to ensure proper course sequencing for their major, optimizing course scheduling, and timely degree completion at CMU.**
- A grade of C- or better is required for a course to transfer.
- A bachelor's degree at CMU requires a minimum of 120 semester hours of credit. Some majors or degrees will require more. CMU will accept community college transfer credits beyond the recommended 60 - 62 semester hours; however students will need to complete a minimum of 60 semester hours from an accredited 4-year-degree granting institution. A minimum of 30 semester hours of credit must be earned from CMU. A minimum of 40 hours must be completed at the 300 level or above.
- The University Program Requirements and competencies, other than Writing Intensive competencies, may be fulfilled by students who satisfy the MTA
Students are required to meet the following CMU Competency Requirements with a “C” or above prior to reaching 56 credit hours: two Written English (composition) courses, one Oral English (communication) course, and one Mathematics.

Any remaining required and elective courses for a bachelor's degree will be selected in consultation with an academic advisor to ensure that CMU degree requirements are being met.

MAJOR/MINOR COURSES: These courses should be selected from transferable **St. Clair County Community College** courses to apply to CMU major/minor options. Please note the list of allowable CMU majors and minors for Elementary Education in the current CMU Bulletin at <https://bulletins.cmich.edu/>. See Bachelor of Science in Education—Secondary Standard Certificate. Students intending to major or minor in Mathematics should review the CMU Bulletin to identify prerequisite courses that can be completed prior to transfer.

Transfer Credit Guide

This guide is subject to change and should be used in consultation with an academic advisor.

Completion of this degree will qualify a student for recommendation to the Michigan State Board of Education for a Secondary Provisional Certificate, which will permit the holder to teach the major and minor in the secondary grades.

Majors in School Health Education (HSC) and Physical Education (PES) will qualify for recommendation for a Secondary Provisional Certificate, permitting the holder to teach the major in grades K-12 and an additional minor in grades 6-12

Visual Arts Education (ART) will qualify for recommendation for a Secondary Provisional Certificate, permitting the holder to teach the major in grades K-12, and no minor is required.

Majors in Special Education (SPE) will qualify for recommendation for a Secondary Provisional Certificate, permitting the holder to teach students with emotional or cognitive impairment in grades K-12 and additional subjects based on second major or minor selections. Early advisement is critical to understanding Highly Qualified requirements.
