## 2018-2019 Tax Document Guide

**\*\*IMPORTANT:** When submitting your federal tax return or transcript(s) to the Office of Scholarships and Financial Aid make sure you place the student's name and campus ID number on each page so we know that it is part of their financial aid record. Not doing so may cause a delay in processing due to the Internal Revenue Service's (IRS) new transcript format that partially masks personally identifiable information to better protect your data. Please use the student's campus ID number as the Customer File Number when requesting your transcript. Make sure to submit a copy of each page of your transcript as many transcripts are double-sided documents and we will need a copy of each page.
