

Programs Available

- **Safe Zone**

Training to promote a safe campus for LGBTQ+ students, faculty, and staff. Training includes definitions, dialogue around isms and microaggressions, and action tips to work towards a more safe campus.

- **Classroom Panels**

Opportunity to go into classroom and share coming out stories and open discussion from students about the coming out process, being LGBTQ+ on campus, in the community, and other issues.

- **Navigating Triggers Workshop**

In this five week development we will engage the Triggering Event Cycle, develop skills and tools to stay present in the moment, and overtime expand our capacity to continue to engage through experiences that in the past might have deskilled us.

- **Socialization and Liberation Workshop**

Are you interested in understanding your own socialization? Would you like to discuss your path to liberation? Are you curious about the cycle of socialization? What about the cycle of liberation? If so, contact us for more information.

- **Social Justice Dialogues**

Are you passionate about social justice? Do you want to learn more about how you can contribute to social change? Do you enjoy engaging in honest and thoughtful dialogue? If so, contact us for more information.

- **Classroom Presentations**

Guest lectures are offered for classrooms around the topic of the LGBTQ+ community.

- **Women's History Month**

Women's History Month is held annually in March.

- **LGBTQ+ Celebration Month**

Programming is available throughout LGBTQ+ Celebration Month (previously Coming Out Month) and is held annually in October.

- **Pride Month**

Programming is available throughout Pride Month and is held annually in April to celebrate the LGBTQ+ community.

- **Trans Week of Awareness**

Programming is available throughout Trans Week of Awareness and is held annually in November to educate around the trans community.
