

Information About the Undergraduate Credit / No Credit Option

Before making any decision, we **strongly recommend** you consult with your academic adviser.

- Any undergraduate student may choose to take a course Credit/No Credit.
 - See the table below to better understand if CR/NC is acceptable for your program. Please contact an advisor with any questions
- Your instructor is not notified when you select the Credit/No Credit option and will assign the appropriate letter grade at the end of the course. The grade is automatically converted to Credit or No Credit according to the following guidelines:
 - You must earn a grade of 'C' (not C-) or better in the course to receive credit. The course will appear on your transcript with a grade of "CR".
 - A grade of "NC" will be assigned for any grade below a "C", which indicates that no credit has been earned for the course and will not count toward your degree requirements
 - The grades of CR or NC have no effect on your grade point average.
 - This semester courses taken CR/NC **will not count towards the 25-credit hour maximum** that can be applied to a degree or the maximum of 7 credit hours that can be applied to University Program requirements.

You are **strongly encouraged** to talk to an **academic advisor** to fully understand how choosing the Credit/No Credit option may affect you. The following outcomes may vary from student to student.

- Courses taken for "Credit" will count toward a degree when a grade of 'C' or better is earned but will not be used to calculate your cumulative grade point average (GPA).
- Grades in Credit/No Credit courses can impact your satisfactory academic progress standing for federal financial aid.
- If you are repeating a class this semester, and you switch that course to Credit/No Credit, the letter grade you previously earned will not be used in your GPA.
 - With a withdrawal, the previous grade will be used in your GPA. Please talk to an advisor in order to determine which is best for you.
- If you are uncertain how Credit/No Credit (CR/NC) courses would impact certification or licensure programs, please contact your academic advisor.
- If you are unsure if you should change a course to Credit/No Credit, please connect with your academic advisor to help you make that determination at: [Academic Advising & Assistance](#)

If you have any questions about financial aid, including satisfactory academic progress, contact the Office of Scholarships and Financial Aid (OSFA) at 989-774-3674 or at financialaid@cmich.edu You can also visit the OSFA website: [Office of Scholarships & Financial Aid](#)

In order to take a course Credit/No Credit, please follow the directions below:

1. Visit the Records & Registration page on the Registrar's website: [Registrar's Office](#)
2. Complete the "Credit/No Credit Form" under "Academic Forms"

Will my course satisfy a requirement if I select CR/NC and earn CR?

*It depends on the requirement. Check your Degree Progress to learn what requirement(s) the course is intended to satisfy. The listing below identifies **Fall 2020 temporary policies** for various degree requirements. If your major/minor/requirement is not listed, please contact an academic advisor at (989) 774-7506 for guidance.*

The deadline to select CR/NC is December 19.

You must earn a C or better to earn credit (CR).

Major/Minor/Requirement	Will CR count?
University Program courses	Yes
Freshman Composition	Yes
Intermediate Composition	Yes
Mathematics Competency	Yes
Oral English Competency	Yes
Writing Intensive	Yes
Quantitative Reasoning	Yes
Honors – HON and “H” courses	Contact department
College of the Arts and Media
