**CREDITS AND GRADE POINT AVERAGES**
Courses earned at Central Michigan University since 1939 are given on a semester basis, and credits earned are semester hours.
Prior to the 1939-40 academic year credits were term or quarter credits.
Credit and grade point totals reported on the transcript at the end of each semester and/or of the record:

<table>
<thead>
<tr>
<th>SEM HRS</th>
<th>CUM TOT</th>
<th>GPA H</th>
<th>POINTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Semester hours earned.</td>
<td>Total cumulative hours earned, including transfer credit hours.</td>
<td>Any credit hours that affect a student's grade point average, which would be any credit hours where a student earns a grade of A through E.</td>
<td>Total honor points earned.</td>
</tr>
<tr>
<td>GPA = Determined by dividing the honor points by the GPA hours.</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

For GRADUATE students, undergraduate courses (Numbered less than 500) do not count in GPA hours or total hours.

**GRADING SYSTEM**

**CREDIT/NO CREDIT SYSTEM**
Effective Fall 2004, an undergraduate grade of CR means the student earned a grade of C or better, prior to Fall 2004 a C- or better. For Graduates a grade of CR means the student performed at or above the level required for graduation (3.0 or B). Prior to Fall 1989, a course with a grade of NC did not appear on the undergraduate record. CR grades are figured only in the total hours earned portion of the cumulative grade point average.

**OTHER SYMBOLS USED**

- W = Withdrawn
- X = Audit
- L = Leadership
- Z = Deferred Grade
- N = No grade submitted
- H = Honors Credit
- I = Incomplete
- SL = Service Learning
- *** = Course still in progress/not yet graded

**REPEATED COURSES**

**PRIOR TO SEPTEMBER 1970:** Credit hours and points earned each time the course was taken were used in computing cumulative GPA. Credit hours were counted only once toward graduation (hours earned).

**SEPTEMBER 1970 TO PRESENT:** Repeat courses are indicated by an "R" to the immediate right of the grade for the last attempt and by an "X" to the immediate right of the grade for the previous attempt(s). The credits, points and cumulative GPA totals are adjusted to include only the last entry.
