Dear Residential Student:

The Governor of Michigan signed a ["stay home, stay safe" executive order](#) for the State of Michigan. In accordance with this executive order, the Office of Residence Life must delay the move-out process. **Within the next seven days, you will receive an email with a link to sign up for a move-out appointment with a revised move-out window.** The delay in the move-out process will not impact the room and board credit.

CMU residence halls and apartments will remain open for students who are currently on campus. **Residential students currently residing off campus should NOT return to campus to move out prior to their scheduled move-out appointment.** Thank you for your understanding as we are trying to keep students and staff safe by following CDC guidelines and executive order.

Please continue to monitor your CMU email for updates. Our staff is responding to phone calls and emails as quickly as possible. Thank you for your flexibility and understanding.

With CMU pride,

Kathleen Gardner,
Director of Residence Life
