

**SEMI ANNUAL CAMPUS UTILITY SHUTDOWN
WEEKEND OF AUGUST 5-6, 2017**

PLEASE SHARE WITH BUILDING OCCUPANTS AND DEPARTMENT COLLEAGUES

The semi-annual utility shutdown for the main campus is scheduled for the weekend of **August 5-6, 2017**. Facilities Management designates two shutdown periods per year, weekends in May and August, to perform utility maintenance work. Every year, the May utility shutdown is scheduled for the first weekend following Commencement and the August shutdown is the weekend following the second summer session classes. Therefore, please avoid planning events on these dates. Steam and electric service interruption at selected buildings are indicated below:

Steam (affects heating and domestic hot water):

<u>Building</u>	<u>Disruption Information</u>	<u>Shutdown</u>	<u>Restoration</u>
<u>All buildings on Campus will have no heat and hot water Except for the buildings listed below:</u>		<u>Friday, August 4 @ 5:00pm</u>	<u>Sunday, August 6 @ 4:00pm</u>

Please ensure that all research and sensitive equipment are monitored during this time to avoid potential loss.

Critical maintenance and repairs are required to ensure long-term reliable operation, facilitate the health, welfare, and safety of the campus, and provide the highest possible degree of safety to our staff and contractors who perform the work. For questions, please contact Mike Walton at 774-1566 or walto1mj@cmich.edu

For future event planning, below are upcoming shutdown dates:

- May 12 & 13, 2018**
- August 4 & 5, 2018**
- May 11 & 12, 2019**
- August 3 & 4, 2019**
