Petition for Recomputation of Grade Point Average

Policy: An undergraduate student may petition for recomputation of his or her cumulative grade point average if the student has not attended CMU or any other institution for four or more consecutive years, and the student re-enrolls after his or her matriculation was cancelled or after withdrawing voluntarily with a cumulative grade point average under 2.00 (academic probation). If the petition is approved, all courses taken will remain on the permanent record. Those courses with a grade of A, A-, B+, B, B-, C+, C, C- or CR will be counted for credit only. Grades of D+, D, or D- will no longer count as hours earned. You will lose credit for these courses.

If the petition is approved, the student resumes his/her academic program at CMU with no cumulative grade-point average, and thereafter is subject to the conditions of probation and dismissal that governs all students. A student may not graduate from Central Michigan University under this policy unless he/she earns at least 12 semester hours of credit after the recomputation has been granted.

Honors for Recomputations

Students who have had a recomputation of grade point average must meet the following criteria to be eligible for graduation with honors: At the beginning of his/her final semester the student must have completed 45 hours of residence (residence means from CMU), graded, and a cumulative point average as indicated in the Graduation with Honors table. Only honors completed after the recomputation are eligible for this requirement.

I hereby request that my grade point average be recomputed in accordance with the above policy. I have provided Central Michigan University with NEW official transcripts for all institutions attended other than CMU. If you have transferred credits to CMU you must have a new transcript sent.

Signature \_\_\_\_\_ Date \_\_\_\_\_

Please type or print the information below:

NAME \_\_\_\_\_
Last First Middle Former name, if any

STUDENT ID NO. \_\_\_\_\_ PHONE( ) \_\_\_\_\_
