INSTRUCTIONS FOR CONCURRENT ENROLLMENT

An undergraduate student may be permitted to register concurrently for graduate credit for the semester or session in which requirements will be completed for a baccalaureate degree, providing that the following conditions are met:

- 1) the student meets with an undergraduate academic advisor to review the students' undergraduate record;
- 2) the student will be taking no more than 12 undergraduate credits during the semester of concurrent registration;
- 3) during the semester of concurrent registration, the student enrolls in all courses required for graduation;
- 4) the students' total credit load (graduate and undergraduate courses) will not exceed 15 credits during the semester of concurrent registration;
- 5) the student has an undergraduate grade point average of at least 2.7 or, optionally, 3.0 in the most recently completed sixty semester hours of graded course work toward the bachelor's degree; and
- 6) the student is admitted as a graduate student to Central Michigan University (the admission may be provisional or non-degree).

Students who do not comply with the conditions of concurrent admission may be dropped from their graduate classes. Students who fail to graduate at the end of the concurrently-enrolled semester or session will not be permitted to continue to take graduate courses until all requirements for the undergraduate degree have been met. Exceptions to these policies may be granted by the Dean of the College of Graduate Studies. Students who have completed all requirements for the bachelor's degree *EXCEPT* for student teaching may be granted concurrent status prior to student teaching if they meet conditions 4 – 5 above.

NOTE 1: Concurrent students may not hold a graduate assistantship appointment without special permission from the Dean of the College of Graduate Studies.

NOTE 2: Students who are considering concurrent admission and who receive financial aid should be aware that concurrent admission can alter financial aid awards. For specific information, consult the Global Campus Office of Scholarships and Financial Aid Office, (800) 950-1144, ext. 3782 or 1086.
