

Non-Human Research Determination Form

Complete this form if you believe that your project does not involve human subjects.

1. Date of Report:

2. Title of Project:

3. Principal Investigator's Name: Student Number:
Status: Student Faculty Other (specify)

Mailing Address:

Phone Number:

Email:

Note: All student investigators must have a faculty monitor.

4. Faculty Monitor's Name:
Mailing Address:

Phone Number:

Email:

5. Project Begin Date:

Project End Date:

6. Determination of "Human Subjects."
- a. Does the activity involve the interaction or intervention with living individuals? (This includes surveys, interviews, focus groups, tests, manipulating environments, etc.)
 Yes No
 - b. Does the project only involve data/samples from living individuals?
 Yes No
 - c. If applicable, please describe what kind of human samples (e.g., tissue, blood) or data (e.g., private information, responses to questionnaires, etc.) will be involved in your project?
 - i. Indicate the number of participants' data/samples, you are planning to use.
 - ii. Will you be collecting or receiving samples or data?
 Collecting Receiving Neither
 - iii. Do the samples or data already exist or are they being collected for the express purpose of this study.
 Already exist Collected for study N/A
 - iv. Please check any that apply:
 1. Samples and/or data will be anonymous and cannot be linked to individual participants by you or your monitor.
 2. Samples and/or data will be coded; however that code cannot be used to identify specific individuals.
 3. Samples and/or data will be coded so that the provider of the samples/data can link them to specific individuals but the researcher will not be able to do so.
7. What roles will you have in this project?
- a. Analyze samples/data.
 - b. Author of the protocol that is being implemented.
 - c. Author final research report/Plan B paper.

Student Investigator: _____

I certify that the information provided for this project is correct.

Faculty Monitor: _____

I certify that I have reviewed this report and discussed it with the Student Investigator.

Director M.A. in Counseling: _____

I certify that I have reviewed this report.
