OFF-CAMPUS PROGRAMS

Doctor of Health Administration degree

This program uses a self-managed application process in which the student gathers all of the application materials and submits them in single packet.

To the Applicant:

Three transcript request forms are included. If you attended more than three colleges or universities to complete your undergraduate and graduate degrees, please make photocopies of this form so that you can send one to each institution you attended. Remember, you will need one official transcript from all previous graduate and undergraduate level course work and degrees earned.

Many institutions charge a fee for official transcripts. To avoid delays, check your institution's policy in advance. Type or print the information requested below. Send this form and any required fee to each institution you attended.

To the registrar:

The applicant named above is applying to the Doctor of Health Administration program at Central Michigan University. This program uses a self-managed application process in which the student gathers all of the application materials and submits them in a single packet. Therefore, we ask that you attach one copy of the student's official academic record to this form and insert the materials into one of your university letter-head envelopes. Seal the envelope and sign across the flap to ensure confidentiality. Return the sealed envelope to the applicant who will submit it unopened along with all of her/his application materials.
