Central Michigan University, College of Extended Learning

Football Day • September 23, 2000

This year the annual College of Extended Learning Football Day includes food, a raffle, a tailgate party right at the stadium, and a relaxing day cheering on the Chippewas.

Come out and support the CMU Chippewas as they meet the Broncos of Boise State University on the football field. Special discount tickets are $10 each and they guarantee you a lunch, provided under the tent by the pond at the football stadium, an opportunity to participate in the raffle, and a seat in the specially reserved College of Extended Learning section of the newly renovated Kelly/Shorts Stadium. Kids of all ages are invited to attend.

Students, alumni and staff will meet in the stadium parking lot at 11 a.m. for a tailgate party. We will have a pep talk from the president and from Del Ringquist, Dean of the College of Extended Learning, as well as a raffle. You will also be given a goodie bag that contains some munchies, a song booklet and other items.

After receiving your ticket reservation and payment, you will be sent a packet that includes your tickets, a campus map, a list of area hotels and restaurants, a booklet that describes other things to do in Mount Pleasant and a brief agenda for the day’s events.

We must receive your reservations by September 20, 2000. If you have any questions or wish to register over the phone, please feel free to contact Julie at (800) 950-1144, ext. 7136. You can also register online at www.cel.cmich.edu, click on College of Extended Learning Football Day link under “What’s New” for registration instructions. Or fax the attached registration to (517) 774-2461.
