All MEV courses are online. Students pay the undergraduate tuition rate for courses counting towards both the undergraduate degree and the MEV degree (ENT 620, 625, 630, 640, 650, and 660 in this example). Students pay a reduced rate (currently \$40 per credit) for requirements satisfied via credit-by-examination (ENT 600 and 605 in this example). Students pay the graduate tuition rate for courses earned after receiving their undergraduate degree (ENT 670, 680, 690, and 695 in this example).
