Need to find a list of companies in the US?

Step 1: Start at the CMU Libraries homepage library.cmich.edu

Step 2: Under databases a-z locate the Reference USA database

Step 3: Select the custom search tab
   a. On the left expand business type and select keyword
   b. On the left expand geography and select county

A form will appear.

Step 4: On the form, type in the keyword manufacturing.
A list of the types of manufacturing companies will appear.
Select the types you want to include in your list.

Step 5: Select the State of Michigan and a list of counties will appear, select Isabella County

Step 6: When the form is complete click on view results and get a list of manufacturers in Isabella County, Michigan

Step 7: To get information about individual companies, click on the name of the company
