6. The determination whether to grant a good cause extension of time is not grounds for appeal.

C. CMU endeavors to issue a Determination within ninety (90) business days of written notification to the Respondent that OCRIE will undertake an investigation of an alleged violation of this Policy. However, all time frames expressed in this Policy and its Procedures are meant to be guidelines and not rigid requirements.

D. Factors that may affect the length of time necessary to completely resolve an allegation of Sexual Misconduct or Retaliation include, but are not limited to: the complexity of the allegations; the availability of the Complainant, the Respondent, witnesses, and evidence; the reluctance of the Complainant to file a Complaint; the effect of concurrent criminal investigations; intervening closures of CMU; the necessity to provide for rights under any applicable collective bargaining agreement; and any other unforeseeable circumstances.

XIII. Preliminary Inquiry
A. Upon actual or constructive notice of an alleged violation of this Policy, and prior to initiating an investigation, the Title IX Coordinator, or designee, will undertake a preliminary inquiry to determine if the alleged conduct, considered in a light most favorable to the Complainant, could constitute a violation of this Policy.

B. If the alleged conduct, considered in the light most favorable to the Complainant, could constitute a violation of this Policy, the Title IX Coordinator, or designee, will notify the Complainant that the complaint is jurisdictional and invite them to participate in a resource meeting to discuss resources, possible interim measures, if any, and the Complainant’s formal and informal options available to them under this policy.

C. If the alleged conduct, considered in the light most favorable to the Complainant, could not constitute a violation of this Policy, the Title IX Coordinator, or designee,
   1. may suggest another CMU unit with appropriate jurisdiction to address the alleged conduct; or
   2. may provide the Complainant written notification regarding the lack of jurisdiction of their complaint.

XIV. Informal Resolutions
A. At times, the allegations presented in the complaint may be able to be resolved through an Informal Resolution, as opposed to an Investigation pursuant to Section I of these Procedures.

B. The Title IX Coordinator, or designee, will determine which matters may be considered for Informal Resolution.

C. The final decision regarding pursuing an Informal Resolution rests with the Title IX Coordinator, or designee, in order to ensure that any safety concerns of the parties and university community are adequately addressed, and that the elimination of the sexual misconduct can be met.
   1. The Complainant’s expressed desire regarding the resolution method employed and actions taken by the University will be taken into consideration, where possible.
   2. Participation by the parties in the Informal Resolution is voluntary.
   3. The Informal Resolution will be documented.
   4. At any time, the Title IX Coordinator can end the Informal Resolution and begin the Investigation.

D. Informal Resolutions can include, but are not limited to:
   1. placing a Respondent on notice that, if such behavior has occurred or is occurring, such conduct should cease immediately;
   2. education and/or training for a Respondent and/or department;
   3. interim measures for Complainant;
   4. mediation or other informal communication between the Complainant and Respondent;
   5. messaging to the campus community;
   6. events and/or trainings offered to the campus community or particular departments; and/or
Sexual Misconduct Policy

7. referral and/or collaboration with another University department in order to address the allegations and eliminate any potential sexual misconduct.

E. Informal Resolution is not subject to appeal by any party.

XV. Consideration of Confidentiality
A. The Title IX Coordinator, or designee, will respectfully consider all requests by a Complainant:
   1. that Complainant’s identifying information not be shared;
   2. that the alleged Sexual Misconduct or Retaliation to not be investigated under this Policy; or
   3. to otherwise not participate in an investigation under this Policy.
B. A request made pursuant to section XV.A of this Policy severely limits CMU’s ability to investigate the allegations and pursue sanctions against a Respondent, if warranted. Therefore, there may be circumstances in which the Title IX Coordinator, or designee, cannot honor a Complainant’s request for confidentiality in light of CMU’s obligation to provide a safe and non-discriminatory environment for all University Community Members.
C. The Title IX Coordinator, or designee, will consider the following factors in determining whether or not the Complainant’s request pursuant to section XV.A of this Policy can be honored:
   1. the risk that the Respondent will commit additional acts of Sexual Misconduct or other violence, such as:
      a. whether there have been other allegations of Sexual Misconduct committed by the same Respondent;
      b. whether the Respondent has a history of arrests or records indicating a history of Sexual Misconduct or other violence;
      c. whether the Respondent threatened further Sexual Misconduct or other violence against the Complainant or others;
      d. whether the alleged Sexual Misconduct was committed by multiple Respondents;
   2. whether the alleged Sexual Misconduct was perpetrated with a weapon;
   3. whether the Complainant was a minor at the time of the alleged Sexual Misconduct;
   4. whether the Title IX Coordinator, or designee, possesses other means to obtain relevant evidence of the Sexual Misconduct (e.g., security cameras or personnel, physical evidence); or
   5. whether the Complainant’s allegation reveals a pattern of perpetration (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.
D. If the Title IX Coordinator, or designee, cannot honor a Complainant’s request pursuant to section XV.A of this Policy, or CMU elects to pursue an investigation without a Complainant’s active participation, the Title IX Coordinator, or designee, will inform Complainant:
   1. that the Title IX Coordinator, or designee, cannot honor the Complainant’s request or that CMU will otherwise be investigating an allegation without the Complainant’s active participation;
   2. about the steps that will be taken to maintain the Complainant’s privacy; and
   3. about the additional resources and accommodations available to the Complainant, if any.
E. A request pursuant to section XV.A of this Policy does not limit a Complainant’s ability to access confidential resources or otherwise receive accommodations or Interim Measures to mitigate the effects of the alleged Sexual Misconduct.

XVI. Standard of Proof. All allegations of Sexual Misconduct and Retaliation must be proven by a preponderance of the evidence, which means that, in the investigator’s judgment, it is more likely than not that a violation of this Policy occurred.

XVII. Withdrawals, Resignations, & Graduation. If a Respondent ceases enrollment or employment with CMU before final conclusion of all processes under this Policy or its Procedures, CMU will continue those processes, to the extent it is able, whether or not the Respondent elects to continue participation.

XVIII. Conflicts of Interest
A. If the Complainant, Third Party Complainant, or the Respondent believes that the investigator or Hearing Officer assigned to the Complaint has a conflict of interest or is impermissibly biased in the matter, the Complainant, Third Party Complainant, or the Respondent may request an alternate staff member.
Title/Subject: Sexual Misconduct Policy

1. This request must be made in writing to the Title IX Coordinator within five (5) business days of when the Complainant, Third Party Complainant, or Respondent knew or should have known of the alleged conflict of interest or impermissible bias.

2. The written request must contain sufficient information and details to establish that the Investigator or Hearing Officer has a conflict of interest or impermissible bias.

3. The Title IX Coordinator will grant or deny this request in writing.

4. The decision to grant or deny a conflict of interest request is not grounds for appeal.

B. An investigator or Hearing Officer may seek to be recused from an investigation if the investigator or Hearing Officer believes there may be a conflict of interest that prevents them from being unbiased in carrying out the investigation.

1. A request by an investigator or Hearing Officer to recuse themselves must be made in writing to the Title IX Coordinator and state the basis for the request.

2. The Title IX Coordinator will grant or deny this request in writing.

C. It is within the Title IX Coordinator’s discretion to:

1. appoint an alternative investigator or Hearing Officer;

2. direct the investigator or Hearing Officer to fairly address the conflict of interest or impermissible bias during the investigation or Hearing (should one occur); or

3. reject the request on the grounds that no conflict of interest or impermissible bias was demonstrated.

D. In the event that the Title IX Coordinator has a conflict of interest or is impossibly biased, the University’s Vice President and General Counsel, or designee, may retain, neutral, outside third party that will serve in the role of the Title IX Coordinator with respect to that specific investigation. The University’s Vice President and General Counsel, or designee, will notify the Title IX Coordinator of the actions taken in the matter and any conclusions therein so that the Title IX Coordinator may carry out its duties, including but not limited to, aggregate reporting and/or other required files per federal and/or state regulations and CMU policy and procedures.

E. In the event that a complaint is filed against the Title IX Coordinator, or any OCRIE staff member, the University’s Vice President and General Counsel, or designee, may retain a neutral, outside third party that will serve in the role of the Title IX Coordinator with respect to that specific investigation. The University’s Vice President and General Counsel, or designee, will notify the Title IX Coordinator of the actions taken in the matter and any conclusions therein so that the Title IX Coordinator may carry out its duties, including but not limited to aggregate reporting and/or other required files per federal and/or state regulations and CMU policy and procedures.

F. In the event that a complaint is filed against the University President, or any member of the University’s Board of Trustees, the Title IX Coordinator, or designee, may retain a neutral, outside third party that will serve in the role of the Title IX Coordinator with respect to that specific investigation. The neutral, outside third-party will provide the Title IX Coordinator of the actions taken in the matter and any conclusions therein so that the Title IX Coordinator may carry out its duties, including but not limited to aggregate reporting and/or maintaining required files per federal and/or state regulations and CMU policy and procedures.

      b. OCRIE is permitted to independently, and on its own volition, retrieve any and all evidence available to it.
   3. OCRIE is permitted to independently, and on its own volition, interview any and all witnesses available to it. OCRIE, at its discretion, may consider character witness evidence only under exceptional circumstances.

(A) of the general nature of the allegations;

   a. It is expected that both parties will provide all relevant evidence and information to the investigator prior to the Fact Review.
   b. If additional Fact Review is necessary, the investigator shall provide simultaneous notice to the parties that an additional Fact Review will occur.

5. The issuance or availability of the Fact Review is not grounds for appeal by any party.

E. Credibility and Cross Examination Hearing

1. In certain circumstances, OCRIE’s determination may be solely dependent upon the credibility of the Complainant, the Respondent or both and/or one or more witnesses.
2. The Title IX Coordinator, or designee, shall decide whether or not the Determination is solely dependent upon credibility and that a Credibility and Cross Examination Hearing (“Hearing”) is necessary. The decision of the Title IX Coordinator, or designee, about whether or not to have a Hearing is not grounds for appeal.

      a. could materially affect the conclusion as to whether or not a violation of this Policy occurred; and
      b. was not known or could not reasonably have been known during any part the investigation (see XIX. above).
         (A) Evidence that was known to a Complainant or Respondent prior to the Determination being made available to the parties, but withheld by that individual during the investigation, and was not raised in a Hearing (if one has been provided), does not constitute new information.
         (B) A Complainant or a Respondent’s claim that they did not know about specific evidence contained within the Determination or that they did not have an opportunity to respond to certain information within the Determination, including the analysis of the evidence or any statements adduced at a Hearing (if one has been provided), does not constitute the discovery of new information or evidence.

3. Timeliness.          (2) If the Associate Vice President for Student Affairs, or designee, determines that an appeals board member cannot act impartially, then an alternate appointment shall be made.

      (1) the Determination;
      (2) any timely submitted Impact Statements;
      (3) the notice of the sanction sent to the parties;
      (4) any written explanations submitted pursuant to section III.B.1.d(A) or III.B.1.d(D) of these Procedures.
   (D) A decision will be made by a majority vote; no abstentions permitted, and shall be placed in writing and delivered to the Associate Vice President for Student Affairs within fourteen (14) days from the Sanctioning Official’s submission of a written response pursuant to section III.B.1.d(D) of these Procedures.
   (E) The decision of the appeals board shall be one of the following:
      (1) an affirmation of the sanction; or
      (2) a rejection of the sanction and the imposition of an alternative sanction that is actually appropriate given the circumstances and nature of the violation of this Policy.
   (F) The appeals board cannot reduce a sanction below any minimum sanction established by this Policy or its Procedures.
   (G) The Associate Vice President for Student Affairs, or designee, shall simultaneously send the decision of the appeals board to the Complainant, the Respondent, the Sanctioning Official, OCRIE, and the Title IX Coordinator, or designee.

   (5) A statement of the relief requested from the Vice President of Enrollment and Student Services by the person making application for review.

(E) If the Vice President for Enrollment and Student Services elects to review a decision of the appeals board, either in part or entirely, the Vice President for Enrollment and Student Services will act in a prompt and equitable manner, allowing for equitable opportunities for both a Complainant, and Respondent to address the Vice President for Enrollment and Student Services.

(F) The Vice President for Enrollment and Student Services will provide simultaneous written notice to the Complainant, Respondent, OCRIE, the Sanctioning Official, the Title IX Coordinator, or designee, and all parties deemed necessary by the Vice President for Enrollment and Student Services regarding the disposition of any application for review made pursuant to section III.B.1.f(A) of these Procedures.
