

Council of Chairs Minutes
Wednesday, December 7, 2005
12 noon - 1:30 pm
Maroon Room

1. 12:15 pm - 12:30 pm: Jim Hill, Director, Honors Program, distributed the Honors Draft Master Course List 2006-2009. The list now covers three years so that the chairs can plan a little more. The chairs asked that he kept them informed about specific faculty members who had been approached to offer Honors courses. Jim also mentioned several changes made to the Honors Program. Some chairs were concerned about the funding for the Honors classes since they are capped at 20 students. Chairs who were absent on December 7 may email hill1jp@cmich.edu or call Jim Hill at x3902 for the Honors Draft Master Course List 2006-2009.
2. Jack Logormarsino, Coordinator, First-Year Experience, distributed copies of the information on the Ad Hoc Academic, Residence Life and Student Affairs Liaison Committee as well as a progress report. Jack informed the chairs that more faculty are needed to teach the First-Year Experience classes.
3. Monica announced that she will ask Bill Dailey, Chair of the Academic Senate to speak about the Priority I: Teaching and Learning on the January 18, 2006 meeting.
