

Global Engagement Highlights

Office of Global Engagement

The **Office of Global Engagement** directly supports Central Michigan University's mission, to prepare students for productive careers, meaningful lives, and responsible citizenship in a global society.

Specifically we:

- Administer study and internship abroad programs
- Support our international student and scholar population
- Manage overseas partnerships and agreements
- Support faculty's involvement in international activities
- Offer globally-focused programs and events for the entire campus community
- Serve as a resource for campus internationalization
