

STUDY ABROAD

FOR COMPUTER SCIENCE MAJORS

Why Study Computer Science Abroad?

- Understand the field of computer science from an international perspective.
- Expand your career opportunities.
- Broaden your academic horizons with great coursework.
- Globalize your worldview and advance your cross-cultural and problem-solving skills.
- Gain confidence in yourself personally and professionally.

In today's increasingly interdependent world, significant cross-cultural experience is exactly what employers and graduate schools seek. Find out how study abroad can benefit you...

Programs for Computer Science Majors

Australia - ISA University of Wollongong (Affiliated)

Accommodation: Residence hall, apartment

Language of instruction: English

Program duration: Semester

Good to know: Attend one of the leading universities in Australia and the only one to ever receive the prestigious 'University of the Year' award for two consecutive years.

England - Edge Hill University (Affiliated)

Accommodation: Residence hall

Language of instruction: English

Program duration: Full year or semester

Good to know: At Edge Hill University, you can get the best of two worlds. The picturesque setting in the north-west of England is removed from urban noise and distractions, yet is only a short distance from seaside towns or the city lights of Liverpool and Manchester.

STUDY ABROAD FOR COMPUTER SCIENCE MAJORS

England - Kingston University, London

Accommodation: Homestay or residence hall
Language of Instruction: English
Program duration: Summer or semester
Good to know: Kingston's location offers the peace and security of living just outside the London city center as well as easy access to the beautiful countryside.

Ireland - University of Limerick (Affiliated)

Accommodation: Apartment or residence hall
Language of instruction: English
Program duration: Summer, semester or academic year
Good to know: Limerick, the third largest city in Ireland, is a thriving modern city. Dating back a thousand years or more, it was founded as a Viking fortress in the 10th century. There are still many architectural reminders of the city's past, such as the 12th century King John's castle, the Medieval precinct, and St. Mary's Cathedral.

United Arab Emirates- API American University of Sharjah (Affiliated)

Accommodation: Residence Hall
Language of instruction: English (except language classes)
Program duration: Summer or Semester
Good to know: The American University of Sharjah is based upon the American system of higher education and offers a comprehensive coeducational program. The API semester program includes several excursions, both in the United Arab Emirates and internationally.

Financial Aid

Financial aid received may be applied to the cost of the program. For additional information, contact the Office of Scholarships and Financial Aid, Warriner Hall 202, 989-774-3674. departments. Check the Office of Study Abroad website for details.

CMU Study Abroad Scholarships

You are invited to apply for a scholarship through the Office of Study Abroad. Scholarship opportunities are also available through the Honors Program and some academic departments. Check the Office of Study Abroad website for details.

Types of Study Abroad Programs

Tuition Exchange Exchange programs allow students to pay CMU tuition and fees and enroll directly in a partner university abroad. In exchange, CMU hosts the same number of students from our partner universities.	Affiliated Exchange Enroll through one of our approved affiliates. Some programs are integrated with local students, others are exclusively for international students. Some programs include on-site support services.
Faculty-Led Programs Study abroad with other CMU students in courses taught by CMU faculty. Most programs run during spring break or summer. CMU tuition and program fees apply.	Internship Opportunities All internships are credit-bearing and students will work with a study abroad advisor and a faculty advisor to ensure approval. CMU only offers internships through our partner organizations.
