## Types of Study Abroad Programs

**Tuition Exchange**

Exchange programs allow students to pay CMU tuition and fees and enroll directly in a partner university abroad. In exchange, CMU hosts the same number of students from our partner universities.

**Affiliated Exchange**

Enroll through one of our approved affiliates. Some programs are integrated with local students, others are exclusively for international students. Some programs include on-site support services.

**Faculty-Led Programs**

Study abroad with other CMU students in courses taught by CMU faculty. Most programs run during spring break or summer. CMU tuition and program fees apply.

**Internship Opportunities**

All internships are credit-bearing and students will work with a study abroad advisor and a faculty advisor to ensure approval. CMU only offers internships through our partner organizations.
