## Types of Study Abroad Programs

### Tuition Exchange

Exchange programs allow students to pay CMU tuition and fees and enroll directly in a partner university abroad. In exchange, CMU hosts the same number of students from our partner universities.

### Affiliated Exchange

Enroll through one of our approved affiliates. Some programs are integrated with local students, others are exclusively for international students. Some programs include on-site support services.

### Faculty-Led Programs

Study abroad with other CMU students in courses taught by CMU faculty. Most programs run during spring break or summer. CMU tuition and program fees apply.

### Internship Opportunities

All internships are credit-bearing and students will work with a study abroad advisor and a faculty advisor to ensure approval. CMU only offers internships through our partner organizations.
