Table 1

The 8,695 global campus students enrolled for a total of 49,584 SCH's. This was a decrease of 1,247 SCH's from the 50,831 SCH's for last fall. Of these SCH's, 26,495 were for undergraduates and 23,089 were for graduate students.

Of the 4,475 undergraduates, 451 are freshmen, 799 are sophomores, 1,266 are juniors and 1,959 are seniors. There are 3 fewer freshmen enrolled for classes this fall than last fall, 61 more sophomores, 134 more juniors, and 293 more seniors. Over 600 undergraduates are attending CMU for the first time. There are 56 new freshmen, an increase of 3 from last year. There are 452 new transfer students, an increase of 16 from last year. The other new undergraduate students are guests, Disney and undergraduate general (non-degree seeking) students. Among the graduate students, 3,256 are continuing graduate students, while 961 are new CMU graduate students.

Of the undergraduate students, 1.0 percent are enrolled for 16 or more credit hours, 13.3 percent for 12-15 SCH, 39.5 percent for 6-11 SCH, and 46.3 percent are taking 5 or fewer hours. Of the graduate students, 12.4 percent are enrolled for 9 or more credit hours, 54.3 percent for 6-8 SCH, 0.4 percent for 4 or 5 SCH, and 32.9 percent are taking 3 or fewer hours this semester.

Women represent 66.1 percent of undergraduate students, while 63.3 percent of graduate students are women. The average age of undergraduate students is 28 years, while the average age of graduate students is 38 years. The age distributions of our undergraduate and our graduate students are shown in Figures 1 and 2.
This fall the number of minority students on global campus is 2,693; 2,123 African-American, 144 American Indian/Alaskan Native, 179 Asian/Pacific Islander, and 247 Hispanic. The percentage of minority students on global campus this fall, 31 percent, is a decrease from last fall's percentage of 32.8. Of the minority students, 921 are undergraduates, while 1,772 are graduate students. There are also 214 international students on global campus this fall, a decrease of 88 from last year's total of 302.

The number of military students on global campus this fall is 1,258. This percentage of 14.5 is a decrease from last fall of 16.5 percent. Of the military students, 1,257 are graduate students, while 1 is an undergraduate student.

CMU has students enrolled from 82 counties in Michigan. The greatest numbers of students come from: Oakland County 1,049, followed by Wayne with 1,010, Macomb with 683, and Kent with 275. The counties with the fewest number of enrolled students are Alger & Luce with 1 student each, Baraga, Iron & Ontonagon with 2 each. Of those students whose home address is out of Michigan, 209 are students from foreign countries and 2,150 are from other states and territories. This fall we have all states represented among global campus students. The states with the greatest number of global campus students are: Georgia with 367, Ohio with 245, and Virginia with 230. This fall we have 21 countries represented. The greatest numbers of international students are from: Canada (110), United Kingdom (57) and China (15).

Of the undergraduate students, 88.2 percent have a signed major. For seniors, 98.8 percent have signed their major, and 98.3 percent of juniors have. Also, 74.8 percent of sophomores and 37.3 percent of freshmen have signed majors. The most popular signed majors are Psychology Major: General (590), Organization Administration (491), Comm. Dev MJ: Concentration in Health Sciences (201), Comm. Dev MJ: Concentration in Communication Services (196) and COMM DEV MJ: Concentrate in Public Administration (189).

The number of new freshmen, 56 is an increase of 3 from fall of 2012. Of these new freshmen, 9 are from other states and U.S. territories, while none is from a foreign country. The greatest numbers of new freshmen come from the following high schools: Out of State High School (12), Mount Pleasant high school (3), Adlai E. Stevenson high school, Ferndale high school, Northwestern high school and St Johns high school with 2 student each. Of the new freshmen, 42.9 percent are male and 57.1 percent are female. Minority students are 37.5 percent of the new freshmen. The average ACT composite score for the 21 entering new freshmen in fall 2013 who reported their score is 21.3. The average high school GPA of the 44 new freshman class who reported their GPA is 2.87.

Of the 452 new transfer students 405 are from Michigan. Among transfer students, 29.0 percent are male, 71.0 percent female; 30.1 percent minority, and 69.9 percent non-minority. The counties with the largest number of transfers to CMU are: Oakland (65), Wayne (65), Macomb (56), and Ingham (29).
