BENEFITS IN BRIEF – FIXED-TERM 10-MONTH & 12-MONTH PART-TIME FACULTY – APPOINTED AT LEAST HALF-TIME BUT LESS THAN FULL-TIME 2017 – 2018 YEAR

This document is for reference only and not a contract document. The information in this summary is subject to policies, procedures, and contracts relating to each benefit plan, which are controlling as to the availability and amount of benefit coverage. Additional information about these benefit programs can be found in the **CMU Choices** plan document and benefit specific contracts, policies, certificates or summaries. For detailed information concerning coverages, premiums and University contributions, please refer to the Benefits & Wellness website at <http://www.cmich.edu/benefits>, contacting the Benefits & Wellness office (Rowe Hall 108) at (989) 774-3661, or emailing benefits@cmich.edu.

Through **CMU Choices**, eligible employees (status of at least half-time and work the entire semester) are able to participate in five benefit programs: medical/prescription drug, employee life insurance, dependent life insurance, dental and flexible spending account plan. The University will contribute toward the cost of the medical/prescription drug, and employee life insurance plans. Any dollars not spent on a specific plan will be available to be applied toward the cost of other benefit programs (including flexible spending account) or as payment to the individual as earnings. If the cost of the employee's choices exceeds the University contributions, the employee will pay the excess through salary reduction in semi-monthly installments over the period of appointment. Premiums, CMU contributions and employee costs are available online at: <https://www.cmich.edu/benefits>.

The “plan year” for **CMU Choices** is July 1 through June 30. New university contribution rates and premium costs are effective July 1, 2017. For new fixed-term faculty who begin employment on or after July 1, 2017, all benefits are effective as of date of hire. Benefits terminate at date of termination or end of appointment. Fixed-term faculty appointed for spring semester only, will have all benefits effective January 1, 2018 and will be entitled to benefits through August 15, 2018.

New Employees must complete the online benefit enrollment process within calendar 30 days from the employment start date. For new faculty who begin employment at the beginning of an academic semester, your 30 day benefit enrollment window generally commences on the first day of the pay period in which you start work (i.e. 1st or 16th of the month). If not enrolled by this deadline, employee will be automatically enrolled in 1.5x employee life insurance and no coverage for medical/prescription drug, dental, dependent life insurance and flexible spending account. **CMU Choices benefit elections are irrevocable for the plan year unless you experience a qualifying status change event and a completed status change form is received in the Benefits & Wellness office within 30 calendar days of the event.** Contact the Benefits & Wellness office for assistance with questions related to benefit status changes, as failure to meet these requirements will prevent you from enrolling eligible dependents in insurance and/or from changing certain elections for the remainder of the year.
